GROUP TRAVEL
MORE PEOPLE, MORE IMPACT
“We Co-Create meaningful and authentic experiences for travelers and local alike”

Local Alike is a travel company that offers a wide range of community-based tourism and responsible tourism experiences. Our excursions are fun and immersive. Not only travelers get to take part in off-the-beaten-path experiences, but also contribute to the preservation of environment, culture, and local ways of life.

บริษัท โลเคิล อไลค์ จำกัด เป็นกิจการเพื่อสังคมด้านการท่องเที่ยวโดยชุมชน ทำหน้าที่ในการส่งเสริมและสนับสนุนชุมชนก่อตั้งขึ้น โดยการใช้การท่องเที่ยวโดยชุมชนเป็นเครื่องมือในการพัฒนาชุมชน เชิญชวนนักท่องเที่ยวและชุมชนโดยใช้เทคโนโลยีที่แตกต่างหลากหลาย เพื่อส่งเสริมให้เกิดกิจกรรมการท่องเที่ยวที่สร้างสรรค์และเกิดประโยชน์สูงสุดเพียงร่วมกัน
Social Impact

Local Alike and villages contribute 5 - 10% of net profit from tourism operation in order to set up development fund, and this fund can help villages achieve their development goals.

We cooperate with over 50 communities.
Voluntour (CSR)
Travel and make a difference
Your skills can be their learning

Embark on a journey to visit local communities while engaging various volunteer opportunities such as teaching English to the community, transferring skills from your group to local people, and instilling knowledge and confidence that will empower each community to build their capacity to welcome foreign visitors.

HLOYO, CHAINGRAI
PHOMLOK, NAKHON SI THAMMARAT
Let’s add green space to the world by many CSR activities such as planting mangrove forests – aside from the fun, you will also experience the commitment of the local community towards the forest, deeply illustrating the long standing interdependence between man and nature.
DOING GOOD WITH LOCALS AND FOR LOCALS

You can easily give back to society along your travels, whether through physical action or sharing ideas to help develop the community in many different areas.

HUATUNG, CHAINGMAI
BAN HUAI RAENG, TRAT
KO YAO NOI, PHANG NGA
Building Team Spirit
Together everyone achieves more
BUILD TEAM SPIRIT THROUGH LOCAL WAY OF LIFE

How would you like to try engaging in a local fishing competition? There are many interesting and challenging careers within local communities that invite your group to learn through experience and garner creative ideas for application in their own personal careers.
A NEW WAY OF NETWORKING

Switch from networking in a meeting room to networking in a local community and provide fun activities for participants to mingle, evoking a stunning change of atmosphere, just like the Stock Exchange of Thailand who arranged an event for their Thai listed company executives to network within a local community in Chiang Mai.
Learning by traveling
See - Do - Learn - Create
IN THE HEART OF SOCIAL ENTERPRISE TRIP

We will take you to meet social enterprises that are creating great benefit for society, solving problems and creating positive, sustainable impact throughout Thailand.

Mae Ta, Chiang Mai
Huatung, Chiang Mai
Baan Rai Gong King, Chiang Mai
Feung Baan Yan Vieng, Chiang Mai
If you are tired of traditional outings, try outings that engage local communities. A unique atmosphere is guaranteed as every community has its own unique style unlike any other.
TRAVEL WITH EXPERTS

Breathe deep some fresh air into your lungs and experience the beauty of the rice fields, while meeting and talking with experienced farmers who will help you to understand that being a farmer involves more than just growing rice.
Leisure

Take a break with a new perspective
Baan Na Ton Chan

Baan Na Ton Chan, a small village surrounded by many Chan trees. Here, you will find traditional fabric called “the fermented mud cloth”, a unique wisdom of the ancient heritage of Thailand. During your stay you can also watch the sun rise at the viewpoint, from where the scenery of the whole village can be seen.
Phra Bat Huai Tom is recommended to travel to get to know the story of lifestyle of people bound to Buddhism very much. It is a community where Paka-Kyaw people live which were born vegetarian and have outstanding cultures, such as folk costumes.
Bo Suak in the past was an important production venue of glazed ceramics. The production pattern and process of this place are unique. Staying in the village homestay, you can indulge in learning about local culture not just by being with the villagers, but also by seeing how locals live in a sustainable way.
Rawai is home to the people known as Sea Gypsies, who settled in this village and several other nearby locations. They make their living by fishing or pearl diving. These are people who live a very traditional lifestyle.
EVENTS IN THE COMMUNITIES

Depart on your journey to a local community. Open your mind and prepare to be exposed to new ideas and perspectives that may be hidden in places that are typically overlooked as you participate in community-based tourism events in many different shapes and styles!
